

FORKLIFT FUEL

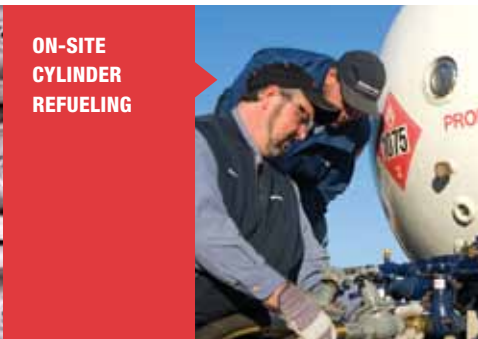

- ▶ AUTOMATIC DELIVERY
- ▶ 24/7 EMERGENCY SERVICE
- ▶ DEDICATED ACCOUNT MANAGERS

DELIVERED.

For over fifty years, companies nationwide have depended on AmeriGas to keep their forklifts on the move. From a single lift truck to a fleet in multiple locations, AmeriGas DELIVERS the propane you need to get the job done.

Last year, AmeriGas safely and successfully made over **1 million deliveries** to our forklift and engine fuel customers. Now we want to deliver for you.

AmeriGas customers benefit from the strength, supply and delivery network of the nation's leading propane provider with nearly **2,500 bobtail delivery trucks** and over **2,000 service trucks** on the road to, not only meet, but exceed our customer expectations.

Always there.

Although we have over 6,000 employees nationwide, your dedicated, local Account Manager, Customer Relations Representative and Delivery Personnel can customize your individual propane delivery and service to meet your needs and operating cycles.

Whether your requirements entail pre-filled cylinders or a bulk tank for on-site fills we want to exceed your expectations and help fuel your bottom line.

▶ DELIVERY OPTIONS

Cylinder Exchange

When you choose automatic cylinder exchange, AmeriGas monitors your propane usage and provides the full cylinders you need to keep your forklifts running. Pre-filling cylinders off-site provides an easy convenient option.

On-site Cylinder Refueling

A forecasted delivery service where AmeriGas provides propane to your location(s). Our highly qualified personnel safely and efficiently fill your forklift cylinders on-site.

Bulk Tanks

An on-site tank and dispenser provides maximum flexibility to fill your own cylinders. AmeriGas responds to your consumption needs and provides timely propane deliveries in bulk.
